APPENDIX 3 EXPLANATION REGARDING HURON-PERTH TRANSFERS

All transfer appeals must include a timetable and transcript.

All late transfers shall be announced to the Conference via email.

HPE Heads must be careful of the reasons that appear on the form as some contain potentially inflammatory statements.

The grade 9 to 10 transfer requests, Section Di, are no longer “automatic”. Appropriate paperwork and reasonable explanations are now required.

Junior Hockey Players returning to their home school are no longer eligible to participate in sports that they participated in the previous 12 months, even if it was for their home school.

Taking or not taking religion courses is not an acceptable reason for transfer.

Student coaches or assistants must be approved by the Conference as well. It was noted that at no time should a student be left in-charge of other students on their own and should never hold the position of head coach. Use the Non-Teacher Coach/Assistant Form.

Non-Teacher Coaches must be approved by the Conference’s Board of Reference - Transfers. Vulnerable Sector checks are required. Non-Teacher coaches must apply each year, even if previously approved. A staff member (teacher) must act as a liaison and be present at all times (practices, games, tournaments, etc.). A teacher will be required to accompany the team when participating at WOSSAA and OFSAA.

Educational Assistants (EA’s) need not apply to coach at the local level but a teacher will have to accompany the team when participating at WOSSAA and OFSAA. The WOSSAA Eligibility Form Part II should be completed and submitted to the activity convenor when submitting team eligibility.

Part D: ACKNOWLEDGEMENT OF RECRUITING POLICY

OFSSA - Appendix IV - Recruiting – Statement of Principle

- The Federation strongly condemns any attempt to recruit a student-athlete into a member school.
- Recruiting is defined as a representative of a school, either directly or through another party, encouraging a student to attend a school other than that in whose catchment area he or she resides, for the purpose of being involved in extracurricular sport.
- The school representative could be a teacher, administrator, school district employee, school employee, student, parent, alumnus or any person representing themselves as a school contact.
- A recruiting prohibition discourages exploitation of students; prevents over-emphasis of athletics; gives average student-athletes more opportunity to participate; discourages adults from jeopardizing a student's eligibility, and prevents misuse of athletic programs.

I have read and understand the above and agree to abide by the policy.

APPENDIX 6 SPORT ADVISORY COUNCILS

Sport Advisory Councils

As per the constitution, each activity is to hold a meeting, of the coaches involved, at the start or conclusion of their season. Ideally this should be organized by the current and in-coming convenors for each sport (thus most meetings will not take place until after our March meeting). On the agenda should be a review of the season, the playing-regulations for the sport (as well as any other sections of the constitution that effect it), and a look at creating a schedule for next year, with specific dates, etc. (See Appendix 7 – SAC Report)

The idea behind these SAC meetings throughout the year is to eliminate the Sport-by-Sport meetings that would have been necessary at the June HP meeting. Minutes of these meetings, the new schedule and any Notices of Motion are to be forwarded to the Executive Director so that he/she may include them on the Agenda for our June meeting.

At the June meeting, we will vote upon all the Notices of Motion and set the schedule for the entire year. The idea is that we are no longer making constant changes to regulations and schedules, thereby eliminating any confusion as to which schedules or regulations we are currently using. It doesn't mean that minor changes can't be made during the season (weather often plays havoc with schedules), but the major rules and formats are set.

Convenors are being asked to try and protect instructional time. HP cannot present schedules that increase the number of days/periods missed. This includes play-offs.

When looking at schedules, you also need to look at those from other sports. You can maybe get an idea for scheduling from another sport and apply it to yours. You also need to take into consideration whether your schedule is in line with others (for example, most major sports have a single round-robin format for league play and similar play-off structure). Also take into consideration typical playing days for other sports, including WOSSAA dates and try your best to avoid conflicts.

Please consider not only your sport, but the Conference and all the other sports too. Each is an important part of the bigger picture.

Notices of Motion and schedules need to be submitted to the Executive Director no later than the 11 days prior to the June Meeting. This allows the agenda to be published and 10 days for it to be looked at and discussed among the coaches at each school. If I don't have things in by that date, then they cannot be voted upon in June.

APPENDIX 8 RULES OF BEHAVIOUR FOR PARTICIPANTS IN HURON-PERTH ACTIVITIES.

Any Huron-Perth sport must attempt to achieve a standard of organizational and educational excellence which will serve to place it beyond reproach in either area.

A school athlete represents their school when participating in a Huron-Perth sport. This consequently confers a responsibility upon him/her during the time of absence from school. This responsibility assumes greater meaning when individual teacher-coaches instruct their competitors in the degree of importance attached to it. The following principles and rules will therefore apply to all Huron-Perth sports and are in addition to the Huron-Perth Playing Regulations and Governing Rules of athletic contests.

1. The teacher-coach must prepare participants with regard to the behaviour expected of them at Huron-Perth events.
2. The consumption of any alcoholic beverage by student participants, whether of legal drinking age or not, at any time during a Huron-Perth event is expressly forbidden. Up to and including 18 years of age, drinking is illegal, plain and simple. Although 19-year olds have the legal right to drink, they have, in view of the circumstances, the responsibility of abstaining - a responsibility which in value far outweighs any immediate gain that an individual might perceive as accruing to himself or herself as a result of exercising this right.
3. Drugs, other than medication prescribed by a medical doctor for a specific competitor, are expressly forbidden.
4. All participants will deport themselves in a manner becoming representatives of their school while attending Huron-Perth activities. Attention must be paid to:
 - Respect for others; all participants have the right to freedom from harassment (as defined by the Canadian Human Rights Commission), equal treatment without discrimination based on race, place of origin, colour, ethnic origin, creed, physical or mental ability, sexual orientation, or sex.
 - Respect for property
 - Conduct
 - Language
 - Dress - Student-Athletes must remain fully clothed in the appropriate team uniform in the competition area, AND use the designated locker room or change area to change to and from competition attire
5. All schools participating in a sport shall, by signature of the school principal on the eligibility form, acknowledge responsibility for making restitution for damage resulting from misconduct by their participants.
6. Procedure
 - a. Actions contrary to these rules shall be referred to a Board of Reference - General which shall investigate the matter and decide on the penalty, if any, to be assessed. A report of the matter in question and penalty, if any imposed, shall be sent to the Principals of the schools involved.
