Huron-Perth Basketball – Playoff Format

7 Team Huron-Perth Basketball Playoffs

- a. The playoffs will occur over three days.
- b. The first place team after the regular season will have a bye to the semifinals.
- c. The seeding of teams for WOSSAA will be based on the results of the playoffs.

The Huron-Perth rankings, after playoffs, will be:

Ranking Team

1 Winner of G6

2 Loser of G6

Note the exception below for the ranking of teams 3 and 4.

3 Higher ranked losing seed from G4 and G5

4 Lower ranked losing seed from G4 and G5

Exception:

If one team is needed from the losers of G4 and G5 to go on to WOSSAA and both are in the same classification (ie: AA) then the lower ranked team may challenge the higher ranked team to determine which team moves on to WOSSAA. (The game will be played on Day 3 of the playoffs.) Note that if both teams are moving on to WOSSAA then no game will be played between the two and the teams will be seeded according to the ranking shown above.

5 Highest ranked losing seed from G1, G2 and G3

6 Middle ranked losing seed from G1, G2 and G3

7 Lowest ranked losing seed from G1, G2 and G3

8, 9, 10, 11 Order of finish in league play

If one team is needed from the losers of G1,G2 and G3 (Quarter-Final Games) to go on to WOSSAA and three are in the same classification (ie: AA) then the lowest ranked team may challenge the second highest ranked team. The winner of that game may then challenge the highest ranked team to determine who qualifies for WOSSAA. (The games will be played on Day 2 and 3 of the playoffs.)

If a challenge game occurs the team that makes the challenge will cover all costs involved. (Transportation and Officials.)

#### **Tie-Breaking:**

**a.** In the event of a tie, the game between the tied teams shall determine who advances to the play-offs

**b. Three-way Tie - Points For and Against Method**

If a tie exists between three teams, the ranking of the affected teams is based on fewest total points for and against to a maximum of 20 points allowed by each team using the scores from three games in which the three teams played each other. Scores against the teams not involved in the three-way tie are discarded.

Example:     Game 1 Team A (50) vs Team B (45)  
              Game 2 Team B (60) vs Team C (38)  
              Game 3 Team C (45) vs Team A (37)

Team A : Game 1 (+5), Game 3 (-8) = -3 Points For and Against  
Team B : Game 1 (-5), Game 2 (+20) = +15 Points For and Against  
Team C : Game 2 (-20), Game 3 (+8) = -12 Points For and Against

Team B is ranked first.  
Team A is ranked second.  
Team C is ranked third.

If a tie exists between two teams after using the three-way tie - Points For and Against method, the winner of the game played by the two teams involved (head to head match-up) will be given priority ranking.

This format can also be used if more than three teams are tied.

If a tie persists then the names of the teams are written on paper by a neutral party (eg: Principal) and placed in a hat, bag or other suitable container. The container is to be held above eye level and one piece of paper is drawn at a time from the container. The first team drawn will be ranked first, the second team drawn will be ranked second, and so on.
